Winter Routes

1. The Three Peaks: [1- A and Z maps](#)

Jog over the (1) footbridge, TL & then TR down King Edward Drive to the end. TL to pass new estate entrance and on to opposite the Cross Keys - regroup here. Run down (old) Chadwell Hill at a moderate pace, X RD ahead, and run up (new) Chadwell Hill with a bit of welly. Finish is about 40 metres past the top. Jog (recovery) to the Cross Keys & repeat twice more finishing eventually at the top of (new) Chadwell Hill where we regroup to jog back to TRFC.

Very tough Nomads might manage a 4th circuit, Zeds shortcuts/sufferers might stick at 2. Another option for short-cutters is, after circuit 2, just jog back down the new hill and run up it again rather than doing the full circuit.

Zeds shortcuts: (1) X RD via the island rather than footbridge.

2. The Switchback ('A' 7.75 mls; 'Z' 6.75 mls): [2- A and Z maps](#)

Jog over the (1) footbridge & TL up old A13 cycle path, over Neville's Bridge & TR into the Heath Road. Follow Heath Road (fast group after 'The Fox' pub TL into Gowers Lane then TR at Junction back to the Heath shop) to pass (2) field by the Cemetery & on to Brentwood Road (A128). TR up to Cross Keys. (3) Down old Chadwell Hill & up new Chadwell Hill. On past Palmer's to just past the Orchard Garden Centre. TL down ramp leading into Boscombe Avenue. Follow RD as it bears R up to Rectory Road. (4) X Rectory Road diagonally L & TR into Overcliff Road. Follow Overcliff Road 'til it rejoins Rectory Road. TR down Rectory Road, past new housing estate, and TR into the industrial estate via Towers Road. Take 1st L off Towers Road down to the Broadway (opposite 'Traitors' Gate'). TR past shops & TR up Whitehall Lane to the top (fast group TL just before the top into Highview Avenue. TR at the end and back to top of Whitehall Lane by mini roundabout) - we normally regroup here. TR down alley back to Rectory Road. X RD diagonally L into Boscombe Avenue & follow it back to the Orchard Garden Centre. X RD & TR up over mini roundabout and bridge. TL down bus lane to King Edward Drive & return to TRFC.

Zeds shortcuts: 1. X RD rather than footbridge; 2. X field diagonally R to Brentwood Road; 3. TR along Riverview and regroup at the top of new Chadwell Hill; 4. TL down Rectory Road, past new housing estate & TR into Towers Road. An extra for VERY fast runners is follow old A13, at the beginning, up to Hornsby Lane & TR. Back to Heath Road and chase after the rabble!

3. Orsett ('A' 7.2 mls; 'Z' 6.4 mls): [3- A and Z maps](#)

Down alleyway parallel to TRFC drive. At the end of this we bear L for a short distance then TR down Kerry Road to Long Lane and TL. At mini roundabout TL up (1) Blackshots Lane to Daneholes roundabout & bear L up old A13. Past TRFC fields on verge and, just before incline to bridge, (2) fork L down original road (the 'Salt Mines'). After approx. 200 metres TR up ramp to bridge. TL to Baker Street and TL into Baker Street. At the 'King's Arms' TR, soon X RD and continue towards Orsett Village. Just before main village (3) TL into Pound Lane & follow as it bears R eventually to T junction. TR uphill to soon pass the 'Whitmore Arms' and on up to mini roundabout. TR into School Lane, continue past hospital to mini roundabout. TR following main street through new housing estate down to mini roundabout. X RD, TL and continue eventually Xing RD near the King's Arms. TL into Baker Street - just before the end X over and bear R over the bridge and (4) back down the ramp to the original road (Salt Mines). TR & follow RD as it bears L - just before Travellers' Site TL into Long Lane & return to TRFC - take great care along this narrow dark lane & wear something light/bright.

Zeds shortcuts: 1. TL at library and X Blackshots field diagonally to emerge by the footbridge; 2. Go directly over the bridge on the grass verge; 3. Continue straight ahead to the 'Whitmore Arms' and TR; 4. Continue SA on grass verge & return to TRFC.

4. Tilbury ('A' 7.3 mls; 'Z' 6.2 mls): [4- A and Z maps](#)

(1) X footbridge & TL to King Edward Drive. TR into King Edward Drive and down to the end. TL and (2) continue to the 'Cross Keys'. TR down (old) Chadwell Hill & X RD near the roundabout. On towards Tilbury and fork L into Feenan Highway. (3) At double roundabout straight ahead & soon TR into Hume Avenue. After low factory building (4) TL over hairpin bridge to reach St. Andrew's Road. X RD and TR to pass station and docks entrance. Eventually to roundabout by ASDA. X roundabout and continue ahead to end of cycle track. X RD & TR then immediately bear L up Old Dock Road to pass under a bridge. Soon after bridge TR & X both carriageways (carefully!) & up grass verge to bus lane. TL and X RD into King Edward Drive. Return to TRFC.

Zeds shortcuts: 1. X RD via the island rather than the footbridge; 2. Go down new Chadwell Hill; 3. TR down Brennan Road, past Civic Square, over traffic lights and straight ahead past station to ASDA or 4. (alternative to No. 3) Continue SA past station to ASDA.

4r. Reverse Tilbury ('A' 7.3 mls; 'Z' 6.2 mls): [4- A and Z maps](#)

(1) X footbridge, TL then TR down to end of King Edward Drive. SA into bus lane & immediately bear diagonally R over grass to Old Dock Road. X both carriageways (carefully) & TL downhill - At the bottom SA onto cycle track and follow to (2) ASDA roundabout. X SA into St Andrew's Road. Ahead passing Docks Entrance then Tilbury Town Station. Soon X RD & TL over the Hairpin Bridge to Dock Road. TR leading into Hume Avenue past scrapyard then TL (after Green on L) into Parkside Avenue shortly to double roundabout. X SA into Feenan Highway & continue to St Chad's Road. Bear R and follow to roundabout by Biggin Lane. (3) TL, X RD, & TR up old Chadwell Hill to the Cross Keys. TL along Riverview (Xing RD at some point) and continue past new housing estate main entrance (mini roundabout) to King Edward Drive. TR and return to TRFC.

Zeds shortcuts: 1. X RD via island rather than footbridge; 2. Just before ASDA roundabout TL to X RD & TR. Follow to where road forks (mini-roundabout?) after Tilbury Town Station. Either: bear R along Dock Road to pass end of Hairpin Bridge or SA (which is even shorter) along Calcutta Road to traffic lights & SA past Civic Square to double roundabout; 3. Bear L up new Chadwell Hill & return to TRFC via King Edward Drive. On this run it's a good idea to regroup by ASDA before everyone splits off.

4b. Tilbury Lights ('A' 7 mls; 'Z' 6 mls): [4b- A and Z maps](#)

(1) X footbridge & TL to King Edward Drive. TR into King Edward Drive and down to the end. TL and (2) continue to the 'Cross Keys'. TR down (old) Chadwell Hill & X RD near the roundabout. On towards Tilbury and fork L into Feenan Highway. At double roundabout TR to Civic Square and admire the lights (if they haven't been nicked yet). SA at traffic lights and (3) opposite Ottawa Rd, TL down alley (immediately after railings). SA to end & (4) X half left to Hairpin Bridge. Over hairpin bridge to reach St. Andrew's Road. X RD and TR to pass station and docks entrance. Eventually to roundabout by ASDA. X roundabout and continue ahead to end of cycle track. X RD & TR then immediately bear L up Old Dock Road to pass under a bridge. Soon after bridge TR & X both carriageways (carefully!) & up grass verge to bus lane. TL and X RD into King Edward Drive. Return to TRFC.

Zeds shortcuts: 1. X RD via the island rather than the footbridge; 2. Go down new Chadwell Hill; 3. (alternative to 4) Continue SA to ASDA. 4. TR and continue to ASDA.

5. Grays/River/Warren ('A' 8 mls; 'Z' 7.2 mls): [5- A and Z maps](#)

(1) Down alleyway parallel to the TRFC driveway. At the end of this we bear L for a short distance then TR down Kerry Road to Long Lane and TL. At mini roundabout SA down Long Lane to old A13 opposite 'Treacle Mine'. SA down Hogg Lane into Elizabeth Road & on past garage(s) to roundabout (by former Royal Mail sorting office). TR, X RD & through Morrison's Car Park to London Road. TL to X RD & TR past ALDI. TL into Wharf Road & SA (ish) to 'Wharf' pub car park. TR past 'Wharf' pub along river path to TR into Wouldham Road & over railway bridge to London Road. TL down London Road, X at some point, & TR into Mill Lane to barriers. #SA up Lancaster Road to the Warren. TR along the Warren & bear L into Clockhouse Lane & downhill to (2) roundabout. Continue ahead bearing R into Drake Road & (3) return on usual route past Sand Martin & fire station.

Zeds shortcuts: 1. X Blackshots diagonally, pass Civic Hall to Blackshots Lane & X. TL and immediately TR down alley to Lodge Lane (old A13). TR to Windsor Avenue traffic lights. TL & X old A13 into Hathaway Road. Take 1st R (Thurloe Walk). SA, crossing Thurloe Walk. Shortly, at metal barriers TR into alley. Follow alley to street (Rushdon Close) & SA up to Hogg Lane. TL & continue. 2. At roundabout fork R for small short-cut; 3. Along Drake Road either TL up cycle track after Dudley Close (X 2 RDs and TR at large rectangular waste bin - SA to Elizabeth Road) or TL up Bark Burr Road to end & TR up cycle track to Elizabeth Road. # = Burn-up opportunity for 'A' Team: Go straight up the cycle track (Mill Lane) to the top & TR along the Warren.

6. The Three Weeks: our winter monthly 3-mile head-banger round Chafford Hundred: [6- A and Z maps](#)

(Jogging to start, this is the 2-mile warm up) - X Blackshots field diagonally to Blackshots Lane, down alley to Lodge Lane & follow to the Treacle Mine. X Road & 100 metres on is our start by the cycle track going L where we regroup. Down cycle track bearing (1) L at fork to barriers. TR down road & follow as it bears R down to Drake Road. TR & X RD at some safe point. Continue ahead then TL into Merlin Close. X grass & SA X Clockhouse Lane. TL up Clockhouse Lane & bear R at the top into the Warren (1-mile). Along Warren to roundabout. Continue same direction & bear R into cycle track at the end (next roundabout). Downhill - watch out for central bollard - & take (2) 4th opening on R (blue rectangular cycle track sign) & bear L on cycle track by gorge. At end bear R by bottom of gorge (2-miles about 100 metres along here). Just after Essex Wildlife Trust Centre, bear L back on yourself into Drake Road. Bear R with Drake Road & soon TL into cycle track to the Harvester (2.5-miles). TR along cycle track to finish at lamppost almost opposite the Treacle Mine. Regroup & jog back to TRFC (the warm-down...).

Zeds shortcuts: 1. Fork R and continue down to Drake Road; 2. Continue SA down to traffic lights (Sainsbury's) and TR along cycle track.

7. Chafford Hundred Station/Lancaster Road ('A' 7.8 mls; 'Z' 7 mls): [7- A and Z maps](#)

X Blackshots field, past Civic Hall & X Blackshots Lane into alley. Follow old A13 to Sainsbury's roundabout. Bear L and follow cycle track SA over next (1) roundabout & bear L with the Cycle track after Ballatynes. Approx. 200 metres on TL onto cycle track & immediately bear R up to Fleming Road. TL and continue ahead over roundabout (Chaff H Station on your R) & eventually TL into Mayflower Road. SA passing Chafford H School and over several mini roundabout to Lancaster Road. TL up Lancaster Road to the Warren. TR along the Warren & bear L into Clockhouse Lane & downhill to (2) roundabout. Continue ahead bearing R into Drake Road & (3) return on usual route past Sand Martin & fire station.

Zeds shortcuts: 1. TL up Gilbert Road to T junction. X RD and continue (same direction) up cycle track to right of school. At top SA over field to X Rainbow Road into cycle track ahead. Continue, same direction, towards Mary Rose Close, 'til cycle track goes off sharp L. Follow down to Chafford H School & TL; 2. At roundabout fork R for small short-cut; 3. Along Drake Road either TL up cycle track after Dudley Close (X 2 RDs and TR at large rectangular bin - SA to Elizabeth Road) or TL up Bark Burr Road to end & TR up cycle track to Elizabeth Road. There aren't any early short cuts so stay as a group to Sainsbury's with faster runners looping from time to time.
